Sheet Music

We stock all the major tutors and repertoire and can source any piece of music that is in print. Give us a call with your requirements.

Repairs & Workshop

We have our own on-site repair workshop with trained technicians doing quality repairs to Brass, Woodwind and strings. Our workshop is not only for handling repairs. We strongly believe bowed string instruments should be properly set-up in the workshop, not just have their bridges 'pushed' up. All Brass, Woodwind and guitars are also checked, regulated or adjusted before dispatch.

Tenders/Bulk Purchases

We are contracted to many Local Music authorities country wide that have come to rely on quality service. For tenders or bulk purchases, please call for a bespoke quote.

Assisted Instrument Purchase Scheme

We are happy to assist parents wishing to purchase an instrument through the assisted instrument purchase scheme. This allows you to pay the price as seen in this catalogue i.e. without the VAT.

Rental

We run a very successful rental scheme whereby the first 8 month's payments go toward purchasing the instrument. Please enquire.
